### 9:00 AM Chair Introduction

#### Regular Calendar

**Item No:** 1

Time: 9:05 am

File No./Project Title: Asti Permanent Bridge Crossing

Staff: Jackson Ford, Permit Sonoma and Yoash Tilles, Sonoma County Public Infrastructure

Env. Doc: Initial Study Mitigated Negative Declaration

Proposal: Sonoma County Public Infrastructure proposes to construct a permanent bridge 2-lane bridge across the Russian River on Washington School Road to replace the current, temporary summer crossing, located in northern Sonoma County near the unincorporated community of Asti, CA. Washington School Road is classified a major collector route with a design speed of 30 mph. The road currently connects Asti Road on the south with River Road on the north, crossing the Russian River with a temporary low flow seasonal crossing known as the Asti Summer Crossing (ASC) typically in place from June 15-October 15.

Recommended Action: To agree that the Initial Study demonstrates that no significant unavoidable impacts are anticipated for project and support a Mitigated Negative Declaration to be the appropriate level of CEQA analysis

Location: East of Cloverdale in the Asti Community

APN: 118-020-014, 118-040-001, 117-080-037, 117-080-031, 117-080-022, 118-040-004
