

REROOFING VERIFICATION/COMPLETION FORM

CNI-023

PURPOSE

This form is to be completed by a licensed roofing contractor participating in the Sonoma County Self Certification Reroofing Program. The completed form must be attached to the field inspection record card. The building inspector will take this form back to Permit Sonoma to be filed with the permanent record at time of final inspection.

## JOB COPY

- Reroofing Inspection (#137):** I certify that the existing sheathing/decking is structurally sound, and complies with all the conditions of R907.3 of the 2010 California Residential Code (CRC) and 1510.3 of the 2010 California Building Code (CBC). Minimum clearances to combustibles for all VAC. vents/chimneys have been verified and maintained.
- Roof Nailing Inspection (#217):** I certify that roof sheathing was installed and fastened in accordance with the manufacturer's instructions, and/or with the Sonoma County Reroofing Manual.
- Final Inspection (#199):** I certify that the roofing materials have been installed and fastened in accordance with the manufacturer's installation instructions, the Sonoma County Reroofing Manual, and all the requirements of the California Building Code.
