

ORDINANCE NO. 6170

AN ORDINANCE OF THE BOARD OF SUPERVISORS, COUNTY OF SONOMA, STATE OF CALIFORNIA, AMENDING THE OFFICIAL ZONING DATABASE OF THE COUNTY OF SONOMA, ADOPTED BY REFERENCE BY SECTION 26-02-110 OF THE SONOMA COUNTY CODE, BY ADDING THE SR (SCENIC RESOURCES) COMBINING DISTRICT TO DESIGNATED COMMUNITY SEPARATORS AND REMOVING THE SR (SCENIC RESOURCES) COMBINING DISTRICT TO PARCELS REMOVED FROM DESIGNATED COMMUNITY SEPARATORS AS CORRECTIONS.

The Board of Supervisors of the County of Sonoma, State of California, ordains as follows:

SECTION I: The Official Zoning Database (OZD) of the County, adopted by reference by Section 26-02-110 of the Sonoma County Code, is amended to rezone certain properties to add the SR (Scenic Resources – Community Separator) combining district as set forth in Exhibit A and remove the SR (Scenic Resources – Community Separator) combining district as set forth in Exhibit B, attached hereto and incorporated by this reference, also known as PRMD File No. ORD15-0003.

SECTION II: The Program Environmental Impact Report (EIR) for Sonoma County General Plan 2020, certified by the Board of Supervisors in 2008, disclosed, evaluated and proposed mitigation for potential environmental impacts of General Plan policies. Potential impacts of Community Separator protection measures were analyzed in the Visual Resources and Cumulative Impacts sections of the EIR. The EIR found that potential visual impacts to lands within Community Separators is less than significant because the General Plan policies and programs provide adequate mitigation. The General Plan text and map amendments to expand Community Separators would not reduce or eliminate any existing standards or policies in the General Plan or Area Plans.

The General Plan text and map amendments to expand Community Separators and the associated amendment to the OZD would not result in any new significant impacts, or a substantial increase in the severity of any previously-identified impacts, due to substantial changes in the project or its circumstances, or new information of substantial importance that was not known and could not have been known at the time of certification of the General Plan Program EIR in 2008. Because no land use changes are proposed, the proposed Project is within the scope of the General Plan covered by the Program EIR, and would not have effects that were not examined in the Program EIR. As a result, pursuant to CEQA Guidelines Section 15168(c)(2), no new environmental document is required.

SECTION III: Notwithstanding the provisions of the SR (Scenic Resources) combining district, the requirement for Design Review shall not apply to any building, grading, or septic permit application that was accepted as complete for filing prior to the effective date of this Ordinance.

SECTION IV: If any section, subsection, sentence, clause or phrase of this Ordinance is for any reason held to be unconstitutional and invalid, such decision shall not affect the validity of the remaining portion of this Ordinance. The Board of Supervisors hereby declares that it would have passed this Ordinance and every section, subsection, sentence, clause or phrase thereof, irrespective of the fact that any one or more sections, subsections, sentences, clauses or phrases be declared unconstitutional or invalid.

SECTION V: This Ordinance shall be and the same is hereby declared to be in full force and effect from and after thirty (30) days after the date of its passage and shall be published once before the expiration of fifteen (15) days after said passage, with the names of the Supervisors voting for or against the same, in a newspaper of general circulation, published in the County of Sonoma, State of California.

In regular session of the Board of Supervisors of the County of Sonoma, passed and adopted this 2nd day of August, 2016, on regular roll call of the members of said Board by the following vote:

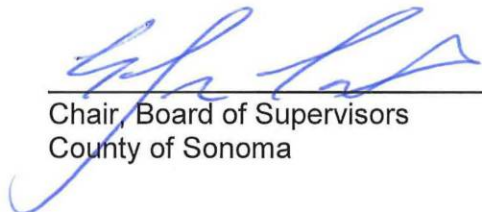

SUPERVISORS:

Gorin: Aye Rabbitt: Aye Zane: Aye Gore: Aye Carrillo: Aye

Ayes: 5 Noes: 0 Absent: 0 Abstain: 0

WHEREUPON, the Chair declared the above and foregoing ordinance duly adopted and
