However, in no case shall the front yards be reduced to less than ten feet (10'). A minimum of three feet (3') shall be maintained between the wall of a pool and the rear and side property lines, and from the main building on the same lot. The deed restriction shall be in a form satisfactory to County Counsel.
- (4) There is a written agreement between the parties to the sale or lease of the parcel and their successors to operate the parcel to be sold or leased under joint management of the parties, subject to the terms and conditions and for the duration of the Williamson Act Contract.
- (5) The parcel to be sold or leased is contiguous to one (1) or more parcels that are located within a designated urban service area, and which are zoned for and developed with urban residential, commercial, or industrial land uses.
