

# PJR-091 Landscape Plan Check – Water Efficient Landscape

## Printable version of two tables

The following tables must appear on all landscape and irrigation plans:

### Hydrozone Table – Complete for All Valves

Valve Number	Irrigation Method (Spray, Drip, etc.)	Plant Type (High, Moderate, Low)	Gallons Per Minute (GPM)	Precipitation Rate (Inches per Hour)	Area (Square Feet)	% of Landscape
1						
2						
3						

### Summary Hydrozone Table

Plant Type	Area (Square Feet)	% of Landscape
Low Water Use		
Moderate Water Use		
High Water Use		
Total
