Public Appearances for Agenda Items

DRC hearings begin at 1:30 p.m. and will be recorded. Agenda items begin on or after their designated time. After a county staff project presentation and committee questions, the public hearing is then opened. At that time, the applicant may give a 10-minute project presentation followed by public comments. The time limit for public comments is at the Chair's discretion and is typically three minutes per speaker. Please state your name for the record when you are called upon. Questions raised by the public may be answered after all public comments are given. The Committee may request staff or the applicant to answer questions, and the applicant is given the opportunity to respond to any public comments. The public hearing is then closed, and no further public comments are received. The Committee will discuss the project and make a decision by motion and roll call vote.
