Project Title: Russian River Parkway Project

Staff: Mark Cleveland, Alta Planning and Ascent Environmental

Env. Doc: ISMND

Proposal: The Russian River Parkway project proposes to construct, operate and manage formalized use of 3 Russian River Access sites north of Preston Bridge on Geysers Road. The project includes providing safe parking, restrooms, picnic sites, trash receptacles and other amenities to support day-use activities. It also includes overnight parking restrictions signs along Geysers Road, a potential host site for on-site management, and the potential for self-contained small RV overnight use within a gated and managed part of the project.

Recommended Action: Approve ISMND

Location: Right of Way Properties

APN: Various for structures

District: Four

Action: **Doug Bush** motioned to approve IS/MND Circulation with added language discussed in meeting. Seconded by **Nader Dahu** and approved with a 5-0-0-0 vote.
