Public Appearances for Non-Agenda Items: Shortly after the hearing begins, the PC invites public participation regarding the affairs of the County. Any person desiring to speak on any matter which is not scheduled on this agenda may do so. Comments may be limited to three minutes, or as imposed at the discretion of the Chair. Under State Law, matters presented during public appearances cannot be discussed or acted upon by the PC commissioners.

Public Appearances for Agenda Items: PC hearings begin at 1:00 PM and are recorded. Agenda items begin on or after the time stated on the agenda. After a county staff project presentation and commission questions, the public hearing is then opened. The applicant may then give a 10-minute project presentation followed by public comments. The time limit for public comments is at the Chair's discretion and is typically three minutes per speaker. Please state your name for the record when you are called upon. Questions raised by the public may be answered after all public comments are given. The Commission may request staff or the applicant to answer questions, and the applicant is given the opportunity to respond to any public comments. The public hearing is then closed, and no further public comments are received. The commissioners discuss the project and make a decision by motion and roll call vote.

Contributions: Pursuant to Government Code section 84308, members of the Planning Agency, Planning Commission, or Board of Zoning Adjustments (collectively "Planning Agency") are disqualified and not able to participate in any agenda item involving contracts (other than competitively bid, labor, or personal employment contracts), franchises, discretionary land use permits and other entitlements if the member of the Planning Agency received more than \$250 in campaign contributions from the applicant or contractor, an agent of the applicant or contractor, or any financially interested participant who actively supports or opposes the County's decision on the agenda item since January 1, 2023. Members of the Planning Agency who have received, and applicants, contractors or their agents who have made, campaign contributions totaling more than \$250 to a member of the Planning Agency since January 1, 2023, are required to disclose that fact for the official record of the subject proceeding. Disclosures must include the amount of the campaign contribution and identify the recipient Planning Agency member and may be made either in writing to the Clerk for the Planning Agency, Planning Commission, or Board of Zoning Adjustments, as the case may be, prior to the subject hearing or by verbal disclosure at the time of the hearing.

Hearing Waiver Calendar: The hearing waiver calendar lists projects proposed for public hearing waivers for informational purposes only. The listed items are not scheduled on the current or uncontested calendars. For more information on the hearing waiver item, contact the planner assigned to the project or fill out a 'Request for Information' card.

Uncontested Calendar: All items listed on the uncontested calendar are considered to be routine. The Chair will open the public hearing on all items simultaneously. If no one from the public addresses the PC, the hearing will be closed, and the items may be acted upon with a single majority vote.

The PC invites interested persons to submit comments which are entered into the permanent record. Written comments received after the package is made public may be read into the record.
