

Section 10 Criteria for Water Reuse

10.1 Graywater

- A. The construction, alteration, and repair of graywater systems are subject to the provisions of the 2013 California Plumbing Code (CPC), Chapter 16 Alternate Water Sources for Nonpotable Applications, Section 16.02.
 - 1. A Clothes Washer System is subject to the requirements of the 2013 CPC Section 16.02.1.1.
 - a. The repair, alteration, relocation, installation or construction of a clothes washer graywater system is exempt from a permit unless it is demonstrated that the system does not meet the requirements of the 2013 CPC Section 16.02.
 - 2. A Simple System is subject to the requirements of the 2013 CPC, Section 16.02.1.2.
 - a. An application for a permit, accompanied by fees as specified in the current fee resolution, is required for a Simple System.
 - 3. A Complex System is subject to the requirements of the 2013 CPC Section 16.02.1.3.
 - a. An application for a permit, accompanied by fees as specified in the current fee resolution, is required for a Complex System.
