AFFIDAVIT

This is to acknowledge that I, _____, in applying for a Hosted Rental Permit pursuant to Section 26-88-118 of the Sonoma County Code, do hereby agree to abide by and conform to the Hosted Rental Performance Standards set forth in the approved permit, and all other provisions of the Sonoma County Code pertaining to the conduct of Hosted Rentals. I further acknowledge that a Hosted Rental Permit does not grant an entitlement to the property, but rather to the property owner, which permit automatically expires upon property sale or transfer with no further action required on the part of the County (permit runs with the owner, not with the land). I acknowledge and agree to abide by the performance standards listed below.

I hereby also acknowledge that the approval of this Hosted Rental Permit shall in no way permit any activity contrary to the Sonoma County Code, or any activity which would constitute a nuisance under state or local law. I understand and acknowledge that the approval for use of a portion of this private residence as a Hosted Rental is based on my representations to PRMD staff, and does not in any way constitute an evaluation or determination of legal or Legal Non-conforming status of the improvements on this site. I further acknowledge that it is my responsibility, as property owner and/or applicant, to ensure that the conduct of this Hosted Rental is not contrary to any covenant, code or restriction which may govern the property on which the Hosted Rental will be conducted, which property address is referenced above. **I acknowledge that any misrepresentation made by me or by my agent in applying for this permit may render the permit invalid.**
