Section 10 Criteria for Water Reuse

10.1 Graywater

A. The construction, alteration, and repair of graywater systems are subject to the provisions of the 2013 California Plumbing Code (CPC), Chapter 16 Alternate Water Sources for Nonpotable Applications, Section 16.02.

1. A Clothes Washer System is subject to the requirements of the 2013 CPC Section 16.02.1.1.
   a. The repair, alteration, relocation, installation or construction of a clothes washer graywater system is exempt from a permit unless it is demonstrated that the system does not meet the requirements of the 2013 CPC Section 16.02.

2. A Simple System is subject to the requirements of the 2013 CPC, Section 16.02.1.2.
   a. An application for a permit, accompanied by fees as specified in the current fee resolution, is required for a Simple System.

3. A Complex System is subject to the requirements of the 2013 CPC Section 16.02.1.3.
   a. An application for a permit, accompanied by fees as specified in the current fee resolution, is required for a Complex System.
